

Job Role – Bricklayer/Tradesperson

Details

Full Time Permanent: 5 Days/Week

Normal Hours: 8:00-16:30

Job Description

Adamson Construction are seeking a Tradesperson who has relevant experience, to provide repair and maintenance works. Candidates should have bricklaying experience with knowledge of groundworks and have their own tools, driving licence and transport. A CSCS card would be beneficial. The candidate will be able to demonstrate good customer care skills and basic knowledge of Health and Safety requirements and how it applies to their job.

Salary is negotiable for the right person, 28 days holiday per year and possible overtime.

Please send CV to enquiries@adamson.co.uk

Primary responsibilities will include

- Provide quality repair and maintenance works
- All aspects of works related to bricklaying
- Use skill and knowledge of trade to carry out tasks assigned to the best of your ability and the benefit of Adamson Construction
- If required, on certain jobs, control the work carried out by other members of the team
- Communication of any site hazards and general information to Manager/Supervisor
- Assist Manager and Supervisor with correct setup and organisation of site
- Where required, work with tools appropriate to your skill and experience and operate plant, equipment and transport for which you are qualified

Qualifications

- Multi-Trades with good knowledge of Bricklaying / Groundworks
- CSCS card in Trade related work (Blue/Yellow)
- Valid Driving Licence

Experience

- Candidates will ideally have experience across a broad range of projects in Industrial and Commercial sectors
- Relevant experience in a similar role
