

Quality Policy

Statement of intent

Adamson Construction Group Limited are fully committed “To Construct Excellence” ensuring, our products and service exceed the expectations and requirements of our customers through a consistent professional approach to our delivery.

Our aim is to be the first-choice construction and maintenance partner for our current and future clients.

We will achieve our aim through focusing on the following **objectives**: -

- Transform current QMS structure to improve system efficiency, effectiveness, and performance.
- Ensure all our staff are deemed competent for their work.
- Projects delivered on time, budget, and defect free.
- Create a deeper relationship with our customers.

Responsibility

The Directors, senior management and employees take individual and collective responsibility for the effective implementation of this the policy and its arrangements.

Continuous improvement

The board of directors and senior management will regularly review the Quality Management System and performance of the company and encourage all employees to participate in its continued improvement. Directors will take actions to enhance good practices and equally to correct any shortfalls in standards or performance.

As a minimum, the company directors will review this statement on an annual basis to ensure its integrity and purpose in driving the quality and performance of the company
